What to do first

1. Print this deck on cardstock if you can. Plain paper works too.
2. Cut along the dashed lines. Each page makes 4 cards.
3. Shuffle them. Pull one when you want to learn a new terp.

Ways to use them

- ◆ Quiz yourself: read the aroma, guess the terp, flip to check.
- ◆ Pair a card with your garden journal when a plant shows its smell.
- ◆ Share the deck with your circle. Everyone learns faster together.
